Sub: Objectant Dean Loren's Answer to Trustee's *Defiled* Request Filed on 05.07.2018.

Hon Judge Bernstein:

We are Counsel to Objectant Dean Loren same as BakerHostetler ("BH") are to the Trustee.

Our *legal answer* is to Trustee's *defiled* request filed on May 07, 2018.¹ It *failed to attach* on purpose the *now attached* copy of 05.07.2018 *written consent duly signed* by Mr. Loren's Counsel *limiting the supplemental filing* to help the Court insure Justice by laws *correctly applied*.

"The Trustee *has consulted with Mr. Loren's counsel who has no objection* to the Trustee's Request"² *misleads* the Court to *factualize fictions* and/or *fictionalize facts*,³ continue to act *above* the law for Injustice by laws *misapplied*, not begin to act *under* the law for Justice by laws *correctly applied* and not use this *one-in-lifetime-chance* to become the *world's first* Unbiased Federal Jurist to make the world's oldest hurtful legal system hurting all helping none *upgrade into* the world's newest helpful system helping all hurting none as equal protection of the laws *correctly applied*, knowing that the Oct 31, 2013 NYS Queens County Criminal Court did become the *world's first* Unbiased State Jurist in the criminal case of *People v Onuorah* (Doc 17525, *Judicious Caveat* by LKJESQ marked A1-A4 at A2 attached here to help all involved save legal time).

With all due respect to the Court and the truth, the whole truth, and nothing but the truth,³ the *dispositive issue now* is to *end all threats* to Courts' *transparent integrity* from *factualized fictions* and/or *fictionalized facts* as *self-proving red flags*.³

The Court is controlled by *duly proved facts* to please act *under* the law *correctly applied* to protect secured due process of law *from becoming defiled into compromised* due process of lie *misleading* the Court, take *immediate judicial notice* of all *self-proving red flags* and begin to act *under* the law for Justice *with prejudice* as the *unbiased correct and fair final closure* as follows:

Adv. Pro. No. 08-01789 (SMB)

“Good Law” Day 05.10.2018

- 1 *Per se*, Court *has to find* that Trustee’s *defiled* request filed on May 07, 2018 *misleads* the Court since it includes *factualized fictions* and/or *fictionalized facts*;³
- 2 *Per se*, Court *has no authority* to *factualize fictions* and/or *fictionalize facts* on its own motion and/or if and when requested for Obstruction of Justice by laws *misapplied* assassinating Justice by laws *correctly* applied aka Immunized Organized Justicide; and
- 3 *Per se*, Court *has to use this self-proving red flag to revisit all prior* Orders, Settlements, etc. duly archived in the entire record of the case **to vacate as void** those that are *defiled* by *fictionalized facts* and/or *factualized fictions* on its own motion and/or as and when requested since enforcers of *all* void Orders, Settlements, etc. are *trespassers-in-law with no immunity*.

As Counsels to our Clients *with common interest in marshaling all the assets*, all our ongoing legal duties and/or fiduciary duties are *intertwined thus inseparable*, no ifs, ands/or buts. They are all **to** Evelyn Goldberg Estate as a beneficiary of the Simon Goldberg Estate, a Madoff victim, **to** Simon Goldberg Estate as a beneficiary of the Madoff Trust, and **to now attached written consent**. That is why it was intended to help BH to limit its supplemental filing for an Order to help BH do just that in order to insure **uncompromised financial restitution** to every beneficiary of the Trustee including the Evelyn Goldberg Estate and leave no one with *unlawful gains* since day one.

Please let Your Honor’s staff contact Lalit K Jain Esq via email to LKJESQ@LKJESQ.COM or via phone at 718 255-6576 in the event the Court and/or its staff has any questions.

As always, a courtesy copy of this letter will be hand-delivered to Chambers.

Lalit,

I am writing to follow up on our conversation from this past Friday. Please advise whether you have any objection to the Trustee’s prospective request to the Court for leave to file a supplemental declaration in further support of the Trustee’s response to Mr. Loren’s motion. The declaration will address the Trustee’s protocol for providing notice of the Claims Procedure Order and the Trustee’s examination of the BLMIS books and records with respect to Wolf Popper LLP.

We plan on filing a letter with the court this afternoon. Regards, Jason

Judicious Caveat: *Freedom from Obstruction of Justice by Laws Misapplied Insures Justice by Laws Correctly Applied.*™

The *therapeutic issue* before every Honorable Court is as follows:

Isn't it human to make con artists, errorists and terrorists pay their victims *therapeutic restitution* for rehabilitation and prevention of errors because to err is human, to forgive is divine but human never was, never will be, divine to forgive, *no ifs, ands or buts?*

May it please the Court to not act wrong with a *closed mind* immunizing injurers as Obstruction of Justice but act right with an *open mind* to make *injurers pay therapeutic restitution* as Justice?

Obstruction of Justice is to "conceal the truth"¹ by laws *misapplied* for *false* sense of security.² It *has to be voided* by "arriving at the truth"³ by laws *correctly applied* as Justice⁴ for *true* sense of security.⁵ Justice by *clean*⁶ *excuse-free* Courts⁷ *has to make injurers pay therapeutic restitution* to their injureds, *pay more* for *excuses misused* by predators⁸ *violating laws against unlawful gains*⁹ from *pleasurable assaults* like sexual assaults,¹⁰ *lexual* (legal), financial, ethical, moral, spiritual, political, constitutional and other assaults *promoted* by Obstruction of Justice as *unhuman* instead.

Re: Our Written Consent to BH Request to Serve and File Supplemental Declaration

Hi Jason:

I am sorry I missed your call but not your duly summarized morning message that we understood.¹

Thanks for your call on Friday, May 4, 2018. We are sorry for the delay in our answer. You asked for our consent to BH filing a Supplemental Declaration to its prior initial Response to Dean Loren's Motion. Our consent will prevent the need for a Court Order. We remember that the Court had reserved its decision on our request for a Court Order *for the Wolf Popper Client Billing Statements* that BH also serve and file dispositive documents. We asked and got our Court Order to serve and file our dispositive documents with us. Our consent will prevent the need for the Court to pass the Decision reserved on Apr 25, 2018 to make it possible to connect the dots.

We are therefore pleased to give you our due consent *with the right to respond, if needed, to your response, if clarification for you creates confusion for us and/or the Court, not otherwise.*

Our written consent is for due inclusion as an attachment with your Supplemental Declaration to insure transparent integrity of the due process of law unless you inform us of your legal objections.

You had also confirmed that BH is still reviewing, but have not yet completed its review of, our dispositive documents served and filed 05.01.2018. It appears that BH, *even before its complete review*, also felt that all dispositive documents together are inevitable to help the Court, and us, to see and verify *the truth, the whole truth, and nothing but the truth* to make Justice by laws *correctly applied using facts* prevent Obstruction of Justice by laws *misapplied using fictions*.

We hope by now your review is 100% complete to agree with us that together they will all help address Wolf Popper Client Statements as the dispositive evidence of *the control of Wolf Popper*.

As the sure link between commingled Madoff and Simon Goldberg local and global investments (*Please see Loren's Affidavit dated April 23, 2018 Exhibit 8 pp122-134, Accounting under the Control of Wolf Popper*), they will also help the Trustee to identify and separate all assets that rightly belong to the Trust with the balance to the Simon Goldberg Estate, even other clients of Wolf Popper LLP, as well as client accounts of Wolf Popper LLP that did not rightly belong to Wolf Popper LLP but were still invested with BLMIS to which Dean personally spoke to Irving

Picard in 2012 or so (*Please also see Loren's Affidavit dated April 23, 2018 Exhibit 11 & 23 Wolf Popper's Informal Accountings*). Please inform us in the event you disagree with us.

You also did confirm, did you not, before Hon Bernstein that you accepted Wolf Popper LLP's statements to be all Client Accounts as the Gospel truth but took no steps to verify the veracity of the fictions thereof. (Please see *Loren's Affidavit dated April 23, 2018 Exhibits 2-5, 7, 9, 13-22 Wolf Popper Bad Acts including creating a guardian ad litem on June 8, 1993 and lying about it until Judith Siegel Baum's billing was found in the files after Evelyn's death*).

Failing to verify the veracity violates fiduciary duties to marshal all assets due to the Trust.

As you have verified, our filings are probative of Wolf Popper LLP's lack of transparent integrity violating the legal, ethical and moral duties of the singular loyalty to the Courts of every lawyer as an Officer of the Court in the interest of Justice to prevent Obstruction of Justice.

Even Affidavit of John Franks with Exh A Client List Page 162 of 162 cites Wolf Popper and Madoff's Depositions addressing the Bloomberg Terminal Records for transactions in Treasuries for Wolf Popper LLP. It is Trustee's fiduciary duties to identify and separate all the accounts as Wolf Popper LLP's own accounts and Clients' Accounts including, but not limited to, Client Simon Goldberg Estate accounts.

Jason, once again, thanks for seeking our consent to help the Court also see and verify *the truth, the whole truth and nothing but the truth* so that Justice prevails and Obstruction to Justice fails.

¹ Hi Lalit. This is Jason Blanchard calling from Baker Hostetler. I just wanted to clarify one item in your email. We would indicate your consent on the letter and I will cc you. There's no need to file an additional pleading with the Court and I just wanted to ask the reply we're just supplementing the record. There's nothing that we would be adding that wasn't already addressed in the hearing and we just wanted to clarify for the record. So we're not clear on why you were needing to file a reply or response but please give me a call back to discuss 212-589-4619. Thank you.
